74th Indian Foundry Congress

The Western Region of IIF proudly presents the 74th Indian Foundry Congress, alongside the prestigious IFEX & Cast India Expo 2026 exhibitions, from 12th to 14th February 2026 at Bombay Exhibition Centre, NESCO, Goregaon, Mumbai, India.

This international event will bring together global foundry leaders, innovators, technology providers and business stakeholders from across the world.

Exhibitors can showcase cutting-edge technologies and solutions, under the theme **"Gateway of Global Foundry Industry."** 74th IFC will be an ideal platform to Connect, Collaborate, and Explore new market opportunities.

Mumbai – Financial Capital of India

A name like **"Mumbai"** evokes visions of soaring skylines, bustling markets, iconic trains, the Arabian Sea, and a city that never sleeps. Known as the **Financial Capital of India**, Mumbai is also home to a vibrant industrial legacy that continues to evolve. It is a melting pot of cultures, languages, and ambitions - and a symbol of resilience, growth, and innovation. Mumbai is the engine of India's economy. With top stock exchanges, global headquarters, and a thriving financial sector, it plays a pivotal role in national and international trade.

Bombay Exhibition Centre (NESCO), Mumbai

Located in the heart of Mumbai, the Bombay Exhibition Centre (BEC) at NESCO, Goregaon, is one of India's leading exhibition and convention venues. Spread across a sprawling 60-acre campus, NESCO is equipped with world-class infrastructure and advanced facilities. Strategically situated near the Western Express Highway and Goregaon Railway Station, NESCO has easy connectivity to domestic and international airports, hotels, and transport systems. It offers the perfect setting for high-profile events like the Indian Foundry Congress. Its spacious and fully air-conditioned halls make it an ideal destination for international trade shows, industry events, and business gatherings. With ample parking, on-site services, and a professional support team, NESCO ensures a seamless experience for exhibitors and visitors alike.

IIF President's Message

Dear Foundry Fraternity,

I am delighted to invite you all to join us in Mumbai from February 12-14, 2026 for the 74th Indian Foundry Congress, held alongside IFEX 2026 and Cast India Expo. This year, our central theme is “Gateway of Global Foundry Industry”—a message that could not be better represented than by Mumbai itself. For generations, this great city has been India's commercial heart and our gateway to the world. From here, ideas, goods and opportunities have flowed to every corner of the globe. It is the perfect stage for us to showcase the capabilities, innovation and quality that make the Indian Foundry Industry a force to be reckoned with.

At the 74th IFC, you will find the full spectrum of our industry under one roof — global foundry leaders, technology pioneers, service providers, entrepreneurs, Government and academic experts. IFEX 2026 will feature over 300+ exhibitors from India and overseas, spread across 13,000+ square meters, attracting more than 20,000 business visitors.

The Cast India Expo will offer Indian foundries a direct line to domestic and international casting buyers, opening new avenues for business and partnerships. This is not just another exhibition—it is a true gateway to connect, collaborate and expand into newer markets.

Beyond the technical sessions and business opportunities, this Congress will also deliver a complete experience —enriching your technical expertise through knowledge-sharing forums, offering warm hospitality reflecting Indian tradition of welcoming guests and providing excellent entertainment and cultural programmes. Delegates can look forward to a memorable mix of professional engagement and leisure, enhanced by Mumbai's renowned culinary delights.

My Presidential Theme for 2025-26, “Let's Grow Together”, underlines the fact that our progress depends on every part of our ecosystem—Raw Material Suppliers, Equipment Manufacturers, Foundries and Young Foundrymen — advancing together. The growth of IIF as a whole relies on the united growth of all our Regions and Chapters. When we work as one, we build not just a stronger industry, but a stronger India.

I look forward to welcoming you personally to Mumbai for this landmark event. Come and be part of a moment where we take India's foundry expertise to the world—and bring the world's opportunities back to India.

Jai Hind!
Sushil Sharma

74th IFC & IFEX 2026

Welcome Message from the Organising Team

Amish Panchal
Chairman

Dear Foundrymen,

It is with immense pride and great pleasure that we welcome you all to the **74th Indian Foundry Congress (IFC), IFEX & Cast India Expo 2026**, being held in the vibrant city of Mumbai from **12th to 14th February 2026** at Bombay Exhibition Centre (Nesco). This landmark edition brings together the finest minds, technologies, and business leaders from across India and around the world, making it one of the most awaited gatherings for the Indian foundry fraternity.

74th IFC under the theme :“**74th IFC - Gateway of Global Foundry Industry**” is designed to provide a dynamic blend of technical sessions, panel discussions, and knowledge-sharing forums, addressing the most relevant challenges and opportunities for our industry. This year, we have introduced special slots on Indian Foundry Leaders Forum, Sustainability & Green Castings, AI & Digitisation driven Process Optimization, Vision - 2047 and Sindoor Session in addition to our regular technical sessions. These new focus areas are aimed at empowering foundries to embrace change, adopt best practices, and remain competitive in a rapidly evolving global market.

Buyer-Seller Meet with about 40+ top-notch casting buyers from all over the world will be a prime event of the 74th IFC. It will open global business opportunities for Indian foundries.

We are putting our best efforts into making the event give you value for the time and resources spent. We have also planned a new concept Melt & Match to invite foreign foundries, looking to tie up with Indian Foundries.

IFEX-2026 will feature cutting-edge machinery & materials, automation solutions, and digital tools that are redefining the future of foundry operations.

The Organising Team, warmly welcome every participant — be it industry veterans, young technocrats, researchers, or entrepreneurs. Your presence adds immense value to this event and strengthens our efforts to build a progressive, sustainable, and globally competitive Indian foundry industry.

Welcome to Mumbai,

Welcome to the 74th IFC and

Experience the Event of Next Level !

Anuja Sharma
Co-Chairman

Welcome Message from the Chairman of IFEX 2026

Greetings to the Foundry Fraternity,

It gives me immense pleasure to welcome you to IFEX 2026, the largest exhibition of the Indian Foundry Industry, which proudly produces nearly 15 million tons of castings annually, making India the second-largest producer globally.

After a gap of 30 years, IFEX returns to Mumbai, concurrent with the 74th Indian Foundry Congress, from 12th – 14th February 2026 at the Bombay Exhibition Centre, NESCO, Mumbai, India.

With a strong legacy of growth, IFEX has consistently set new benchmarks year after year. This year, we anticipate 300+ exhibitors, 1500+ registered delegates, and more than 20,000 visitors. IFEX continues to serve as an important platform for knowledge exchange, networking, and business opportunities—extending beyond boundaries for both Indian and global foundry stakeholders.

Personally, I had the honor of organising IFC & IFEX for the first time in 1997 at this very venue in Mumbai. Over the years, I have been closely associated with these events on multiple occasions. This year as well, my team assures all exhibitors and visitors a rewarding and enriching participation.

We warmly invite global foundries for **MATCH MAKING** to partner with Indian foundries and explore avenues of outsourcing, collaboration, and mutual growth. In today's rapidly changing geopolitical and business environment, IFEX offers the right platform to connect with the right people.

Our exhibition partner, India Exposition Mart Ltd., is also fully committed to delivering world-class infrastructure and services to ensure a seamless experience.

Join us at IFEX 2026—

***an event that promises to take the
Indian Foundry Industry to the next
level of excellence.***

Wishing you a Happy Metal Casting!

74th IFC & IFEX 2026

Invitation from Western Region Chairman

Dear Delegates, Participants and Visitors,

It is my privilege and honour to welcome you to the 74th Indian Foundry Congress, held alongside IFEX 2026—two landmark events that capture the dynamism of India's foundry industry.

The Indian Foundry Congress, now in its 74th year, remains the nation's most respected platform for knowledge exchange, policy dialogue, and industry collaboration. It not only highlights technical progress but also addresses the pressing priorities of sustainability, digital transformation, and global competitiveness. As Chairman of the Western Region of IIF, I am proud to see this forum continue as a true catalyst for change.

Parallel to this, IFEX 2026—the 22nd International Exhibition on Foundry Technology with Cast India Expo—serves as a global stage for innovation and showcases the best of Indian casting manufacturers alongside leading international suppliers.

Together, these events are united by a single vision: to raise Indian foundries to world-class standards of excellence. I urge all participants—industry leaders, entrepreneurs, policymakers, academicians, and students—to seize this opportunity to learn, collaborate, and innovate.

Let us work collectively to build a smarter, greener, and stronger foundry ecosystem for the future.

Warm regards,

Saibal Sen

Chairman, Western Region

Key Sessions to Attend

India Foundry Forum

The Signature Sessions - **India Foundry Forum** - Panel Discussion at the 74th Indian Foundry Congress will bring together top CEOs and industry leaders from the Indian foundry sector. This exclusive panel will delve into the emerging opportunities and pressing challenges shaping the industry's future. Panellists will share strategic insights, innovation trends, and growth perspectives, offering valuable guidance to stakeholders.

Sindoor Session

The Sindoor Session will be a key session spotlighting the defence sector's growing demand for advanced castings. Esteemed representatives from the Indian Armed Forces and leading defence equipment manufacturers will share their requirements, standards, and future procurement plans. This strategic dialogue will highlight opportunities for the Indian foundry industry to contribute to indigenous defence production, promote technological upgrades, and enhance quality benchmarks.

Melt & Match

Melt Match is an innovative initiative introduced during the 74th Indian Foundry Congress to initiate collaboration between overseas foundry owners (Who don't have succession plan) and Indian foundries. The concept aims to build strategic alliances, share technological expertise, and explore joint ventures for mutual growth. This platform will enhance global competitiveness through collaborative partnerships and cross-border synergies.

Bharat Foundry 360 Insight 2025-2047 - Exclusive Report

An exclusive report is prepared by a professional agency to present a futuristic vision for the Indian foundry industry, highlighting opportunities, challenges, and strategies over the next two decades.

The presentation will explore technological advancements, market dynamics, sustainability practices, and the role of innovation in shaping global competitiveness. This forward-looking dialogue aims to provide a comprehensive roadmap for the sustainable growth and resilience of the Indian foundry sector.

Casting Buyer – Seller Meet

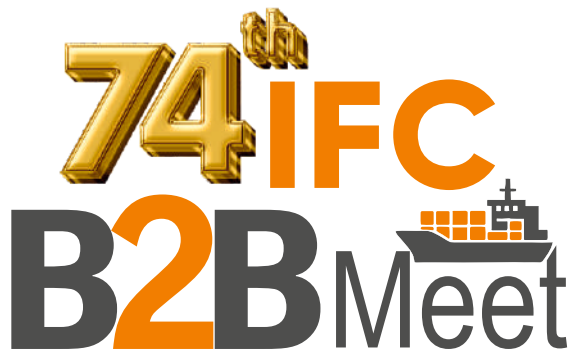

Buyer–Seller meetings have been planned to facilitate and serve as a platform for casting buyers & casting manufacturers to network and interact for mutual benefit.

Casting buyers from India and abroad are taking part in this grand event, which will pave the way for the development of new businesses for Indian foundries.

Direct interaction between buyer and potential seller would be mutually beneficial.

Registered casting manufacturers can participate in the Buyer–Seller Meet with a nominal additional fee of ₹6,000/- + 18% GST only.

Casting manufacturers need to submit their profile, along with a list of preferred casting buyers they would wish to meet at the Buyer–Seller program. A one-on-one meeting between seller and buyer could then be facilitated, subject to acceptance by the buyer.

BUYERS INVITED FROM

Registration

Be a Part of India's Largest Premier Foundry Gathering!

Register now for the 74th Indian Foundry Congress. This year apart from regular 3-day registration, two new registration categories have been introduced:

Premier Club (Exclusive for IIF Members)

Designed for at MDs, CEOs, and senior-level executives.

Premier Club Registration charges Rs. 15,000 + GST irrespective of any category.

Privileges

- Special Status & Badge: Stand out with a unique badge for visibility and recognition.
- Unlimited Lounge Access: Network with industry leaders in an exclusive lounge.
- Prime Seating: Comfortable
- Exclusive Dining Areas: Dine in designated spaces for an elevated experience.
- Spouse of Premium Club delegates will be registered at normal rate (D06).
- Premier club registration is separate from any category.

FlexiPlan: One Day Registration **NEW**

- Option to register just for one day (12th or 13th February).
- Includes full hospitality , entertainment, etc., for that day.
- Kit bag provided as part of the package.
- Applicable for the day registered only.

Regular Registration : 3 Days

- Regular registration for 3 days is available as usual.
- All registered delegates will have access to technical sessions , Exhibition Halls , Dining area , Entertainment (Extra registration for Buyers Meet, Post Congress Tour).

74th IFC & IFEX 2026

Cultural Programme

The Evening Cultural Programme at the 74th Indian Foundry Congress, Mumbai, will be a vibrant blend of **India's artistic heritage and Bollywood glamour**. Against Mumbai's energetic backdrop, delegates will enjoy the Bollywood Entertainment & Foundry Darbar with dazzling performances, music, and dance. From energetic numbers to soulful melodies, the event will capture Mumbai's dynamic spirit, offering a memorable, refreshing experience that fosters camaraderie and leaves lasting memories of the 74th IFC.

Ladies Programme

The Ladies Programme at the 74th Indian Foundry Congress (12-14 Feb 2026, Mumbai) offers spouses a rich blend of cultural and leisure experiences. Highlights include guided tours of Mumbai's landmarks, artisan workshop visits, craft demonstrations, and regional culinary delights, providing an immersive taste of Maharashtra's heritage. Designed to foster relaxation, cultural discovery, and social connections, the programme enriches the overall event experience beyond the conference halls.

Hospitality

At the 74th Indian Foundry Congress, hospitality takes centre stage to ensure every delegate feels valued and cared for. Enjoy Mumbai's warmth through rich spread of Indian and international cuisines, featuring regional specialties, live counters, and assorted beverages. With thoughtfully curated meals and refreshments, the Congress promises not just engaging sessions but also a delightful culinary journey in a welcoming atmosphere.
