75TH YEAR CELEBRATION AS A TRIBUTE BY IFC & IFEX

ABOUT IIF

The Institute of Indian Foundrymen set up in 1950 and registered as a society in West Bengal under the Societies Registration Act XXI of 1961, IIF had modest beginnings. Today it has an enviable national spread of four regional branches and twenty seven chapters. Its current membership numbers over 3500 inclusive of Fellows, Individual Members, Life Members, Company Members etc. From providing education, research and training pertaining to metal casting, to publishing the monthly Indian Foundry Journal, from hosting the annual Indian Foundry Congress to being the nodal point of information, from being the one point reference for the Government to participating in the preparation of standards for foundry materials and products. IIF is multidimensional in its sphere of activities. Headquartered in Kolkata, in a four storied building, it is equipped with a library aimed at keeping the foundry men technically abreast of the happenings globally. **The IIF is affiliated to the Confederation of Indian Industry (CII, New Delhi) and the World Foundry men Organization (WFO), U.K.**

ABOUT 73rd INDIAN FOUNDRY CONGRESS

The Eastern Region of The Institute of Indian Foundrymen (IIF) is pleased to have the opportunity to host the 73rd Indian Foundry Congress concurrently with the **Indian Foundry Exhibition IFEX 2025 from 9th February 2025 to 11th February 2025** and to welcome participants from around the world to Eastern India at Kolkata, to an exciting and stimulating event which will bring together foundry fraternity from around the world to focus on latest trends, technologies & markets for the foundry sector & to explore & forge new business alliances & opportunities.

The main highlights will be Cast Source Meet, Technical sessions, Panel Discussions, Success Stories, NRI Foundry Forum, CEOs Meet, Raw Material Symposium, Hal Ghar Jal Symposium, in addition to carefully selected Technical Presentations. Post congress tours, Works Visits & special attractive programs for the participants & spouses are being planned by the organizers to mix business with leisure.

ABOUT IFEX 2025

IFEX 2025 being the largest Foundry exhibitions in India and spread over 10000 Sq Meters will have participation from over 200 exhibitors from Indian & overseas and approx over 10000 business visitors. As a concurrent event to 73rd Indian Foundry Congress, IFEX offers excellent platform for Indian and overseas Companies to interact and benefit, while being introduced to newer avenues with Local Fervor and Global Stature.

MESSAGE BY PRESIDENT, IIF

Navneet Agarwal
President

My dear fellow foundrymen.

We are very pleased and honored to invite you to the 73rd Indian Foundry Congress (IFC) & IFEX 2025 to be held from the 9th to 11th of February 2025. There will be over 200 exhibitors exhibiting the latest technologies and equipment in the foundry industry, including materials, software, automation, and robotics, in this 10,000 square meter state-of-the-art exhibition center.

IFC & IFEX have become some of the most significant gatherings for the foundry industry, not just in India but throughout Asia, and are recognized as international brand names. Our gathering in Kolkata, the City of Joy, is a fitting tribute to the IIF's 74-year history, founded by enthusiastic foundrymen eager to advance their profession.

A number of greenfield projects and the establishment of state-of-the-art foundries are transforming the foundry industry in Eastern India. As a result of this resurgence, Bengal's industrial heart beats faster than ever before. It is becoming increasingly evident that Howrah is on the verge of reclaiming its former prominence as the 'Sheffield of India' with notable developments in the Asansol-Raniganj-Durgapur area, along with the Foundry Park at Ranihati under the FCDA.

Get to know the Eastern hospitality and savor its culinary delights over three days of business and pleasure.

With warm regards,
President IIF, 2024-25

INDUSTRY VISITS

As part of the 73rd Indian Foundry Congress, works visits are being organized to foundries located in and around Kolkata to make interested delegates from India and abroad aware of castings produced in Eastern India. These foundries have been carefully chosen for showcasing to the interested delegates because of their Quality, Products & Process and Brand image.

There would be a maximum of 30 delegates for each foundry visit on a first come, first served basis which is immediately upon the completion of the Indian Foundry Congress.

However, entry of any delegate to the foundry premises for the works visits is subject to clearance of the management of the concerned foundry.

(in Indian Rupees)

W01	Tata Motors and Jamshedpur Auto Foundry	5,500
W02	Kharagpur Foundries	4,500
W03	Ductile Iron Pipe Foundry and other Durgapur Ductile Foundry	4,500
W04	Major Railway Foundries in and around Kolkata	3,500

Notes:

1. All Works Visits are subject to approval.
2. Bookings for Works visits are on a first come, first served basis.
3. Delegate Fee is Inclusive of GST @18%.
4. The organizing committee and the Foundries reserve the right of entry of delegates to the Works Visits.
